- ◊ **Acquisition of raw materials:** CTFA will enjoy the chance to source new raw materials (aroma, essences, and ingredients).
- ◊ **Acknowledge of new manufacturers and distributors;**
- ◊ **Searching new ingredients manufacturers;**
- ◊ **Sharing knowledge and learning about new products:** Sourcing Chinese market enlarging personal knowledge about air care and laundry products, household and automotive cleaners, cosmetic and skin care products, hygiene and specialty products used and sold in China.
- ◊ **Establishing joint venture programs in China or offshore;**
- ◊ **Creating joint research on new products;**

Australia International Trade
Association & Associates

**CAFFCI China
Association of Fragrance
Flavor and Cosmetic
Industries**

Was founded on August 21 1984. It is an industrial association at national level with an independent corporation status, approved by the Ministry of Civil Affairs of the People's Republic of China. At present, CAFFCI, is comprised of more than 700 members, most of them are enterprises and institutions involved in the production of raw materials & products, packaging, equipment design & production and R&D of fragrances flavors and cosmetics.

Following the successful visit of the CAFFCI to ACCORD Australia in May 2013, and since the Cosmetic Market is expanding, CAFFCI would like to strengthen the communication and cooperation with ACCORD and establish a new relationship with CTFA by inviting ALL the members to visit China during September and attend the

**2014 CAFFCI
Annual Meeting & the
International Trade conference**

Last year the CAFFCI annual meeting was held in Shanghai which set up a platform for the communication between the government, international industry leaders, experts and members. More than 300 members attended the meeting and relevant activities.

This year, the *2014 Annual Meeting and International Trade Conference* will be held

from 12th to 14th September,
at Hangzhou, China.

During this occasion CTFA can have a chance to meet government authorities, small and big enterprises, manufacturers, investors and so on.
