# Technology and product development

A man with grey hair, wearing a white lab coat, is focused on a task in a laboratory. He is holding a small, clear container. The background is filled with blue-tinted, out-of-focus equipment, and yellow safety railings are visible in the foreground. A semi-transparent grey banner is overlaid across the middle of the image.

Access to experts

A photograph of three people in a workshop or office setting. A man in a striped sweater stands and points at a small electronic component held by a woman in a white cardigan. Another man in a light-colored shirt sits next to her, looking at the component. In the foreground, there is a soldering iron, a metal heat sink, and a computer mouse on a wooden desk. A semi-transparent grey banner with the text "Innovation skills" is overlaid across the middle of the image.

# Innovation skills

A man with dark curly hair, wearing a grey blazer over a white shirt, is seated at a table and looking towards a woman. The woman has long brown hair, wears glasses, a light blue t-shirt, and a necklace. She is also seated at the table and looking back at the man. On the table in front of them are papers, a pair of glasses, a coffee cup, and a laptop. The background shows a modern office or cafe setting with large windows and pendant lights.

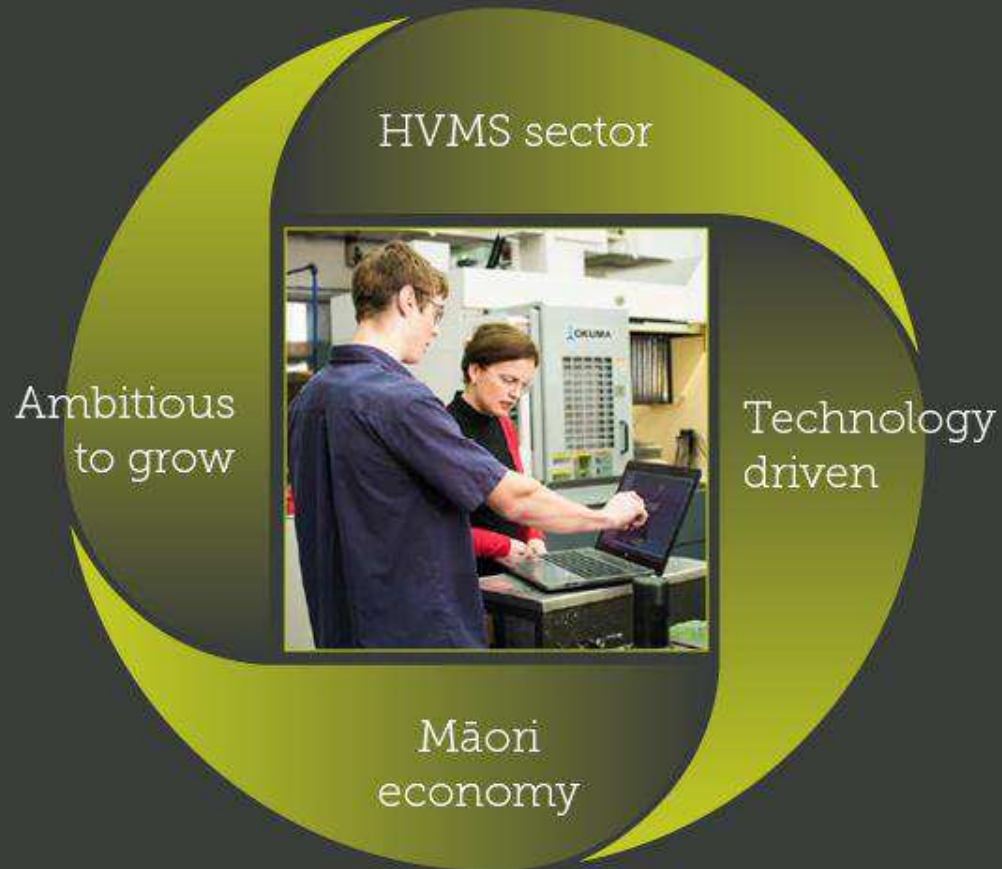

# Business collaborations

A man with short brown hair, wearing a colorful plaid shirt, is holding a purple wireframe cube. He is looking at the cube with a focused expression. The background is a workshop or laboratory with various equipment and a large window. A semi-transparent grey banner is overlaid across the middle of the image.
