- **Natural, Non Toxic Goodness** - Honesticks beeswax crayons are handmade from 100% pure New Zealand beeswax with non-toxic pigments so they are safe for infants, kids and children of all ages. Contains no paraffin wax or cheap fillers.
- **Durable & Ergonomic Shape** - The unique chubby shape of Honesticks makes them easier for small hands to hold, but much harder for small hands to break! Honesticks have been "tested in preschools and the kids have tried to break them but they just can't. Plus they love the smell!" Each crayon is 55mm long and 20mm diameter.
- **Sustainable & Low Impact** - The beeswax used to create Honesticks is a natural by-product of honey production. This sustainable process causes minimal impact on the environment and gives the crayons a wonderful honey scent.
- **12 Exciting Colors** - Let your little ones express their inner artist with a stunning range of twelve eye catching, non-toxic crayon colors. Crayon material easily bonds to the paper, poster or artboard.
- **Money Back Guarantee** - If you're not 100% happy with your 12 Pack of natural beeswax crayons and their delightful New Zealand honey scent, simply return them for a no questions asked full refund. No risk, no fuss! The more Honesticks you buy the more you save.
