**NANOLAYR<sup>TM</sup>Q**

NanoLayr exist to “Lead the 21<sup>st</sup> Century Textile Revolution by Driving the Worlds Adoption of Functional Nanofibre Fabrics.”

With the use of **DermaLayr**, The Bioactive Nanofibre Technology Platform. Your product integrated with DermaLayr Inside provide best-in-class bioactive protection that you can rely on.

# The Discovery of DermaLayr™

## Challenge:

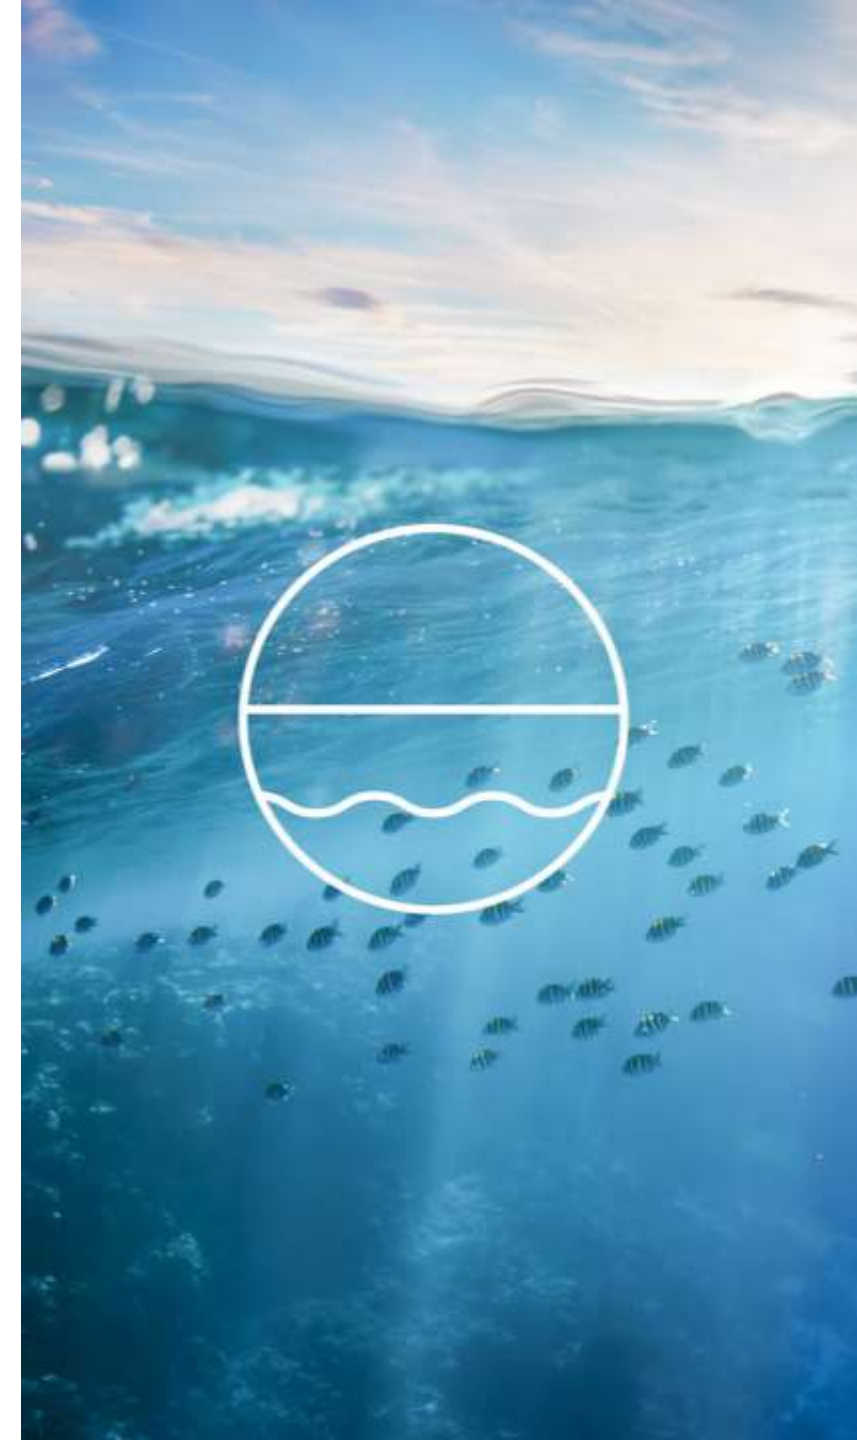

The rise of more natural, trendy, cutting edge skincare technology

## Solution:

Multi-disciplinary (STEM) approach to create revolutionary platform technology to bridge the gap between science and market

## Commitment:

Rigorously innovate new formulation with wide range of bioactive ingredient to ensure they deliver maximum functional to suit our customers' needs and applications, the first time and every time.

# Market Trend: Ethique | The Ordinary | DermaLayr

- No liquid formulation
- Reduces packaging
- Reduces bacterial growth
- Increases shelf life

- Remove unwanted chemicals
- Only the key ingredient
- \$ 2.2 billion valuation

DERMA  
LAYR™

- Dry formulation
- Only the key ingredient
- No unwanted chemicals
- Cutting edge scalable technology
- 100% natural
- Sustainable & Trendy

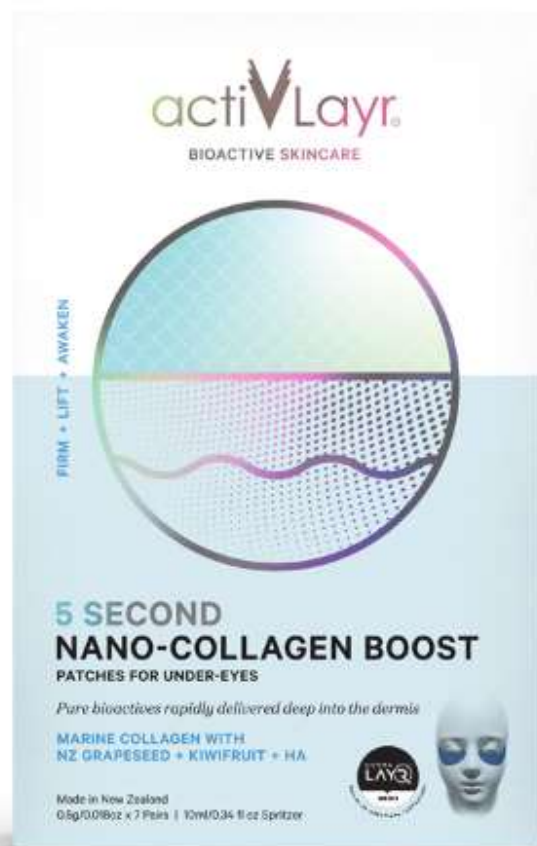

# Target Market: Asian ODMs (Original Design Manufacturing)

- Strong market for cosmetics
- Attractive to Global Brands
- High knowledge on star ingredients – can advise on Market driven ingredient selection
- Regulatory help to get rest of the world
- Accept rolled goods – big cosmetics ODM

# Evolution of DermaLayr™

The consumer brand ActivLayr™ is scientifically trusted for premium collagen delivery and is looking to expand its product range to cover all skincare requirements, from **whitening, tightening, anti-aging and repair.**

**DermaLayr** promotes both **science and innovation** as fundamentals to all cosmetic users alike.

DermaLayr stretches **the boundaries of bioactive functionality, not having to compromise it's natural integrity through typical, synthetic chemical stabilisers and emulsifiers.**

# Success To Date

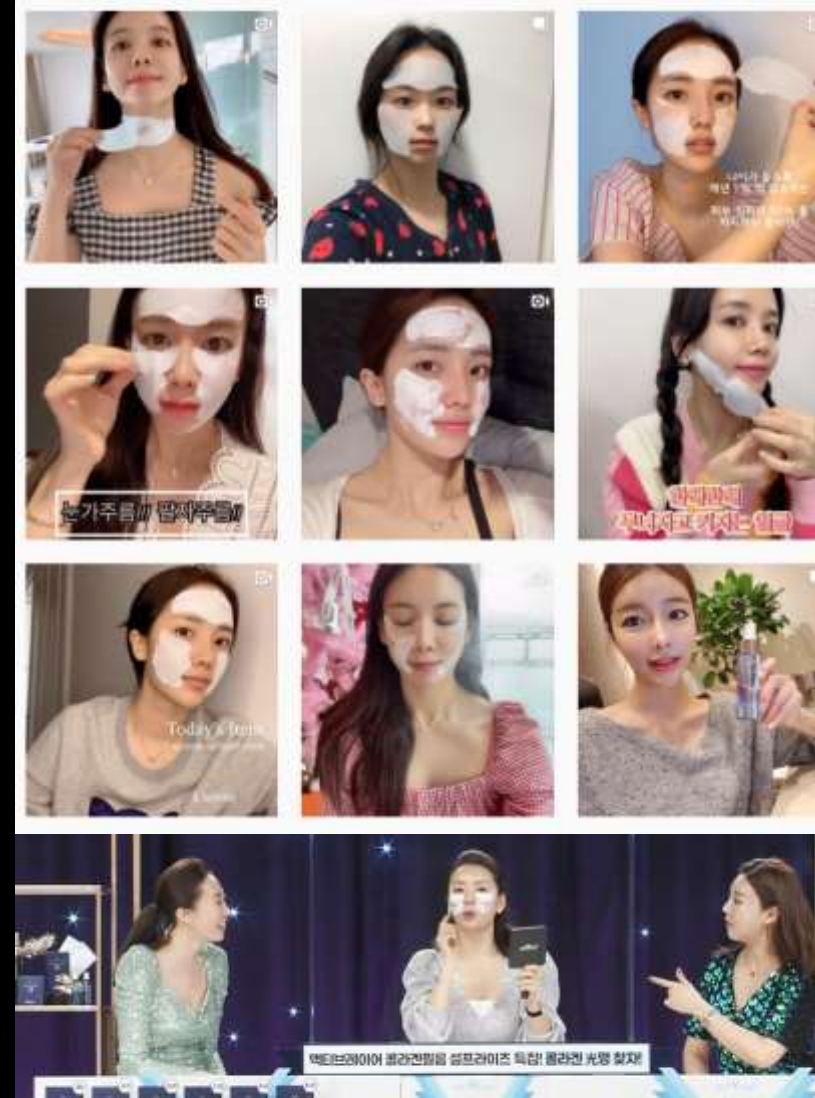

- More 30% Return Buyers with less than 12 months in the market
- ActivLayr range is aired on a weekly basis across S.Korea Home Shopping channels

GS SHOP

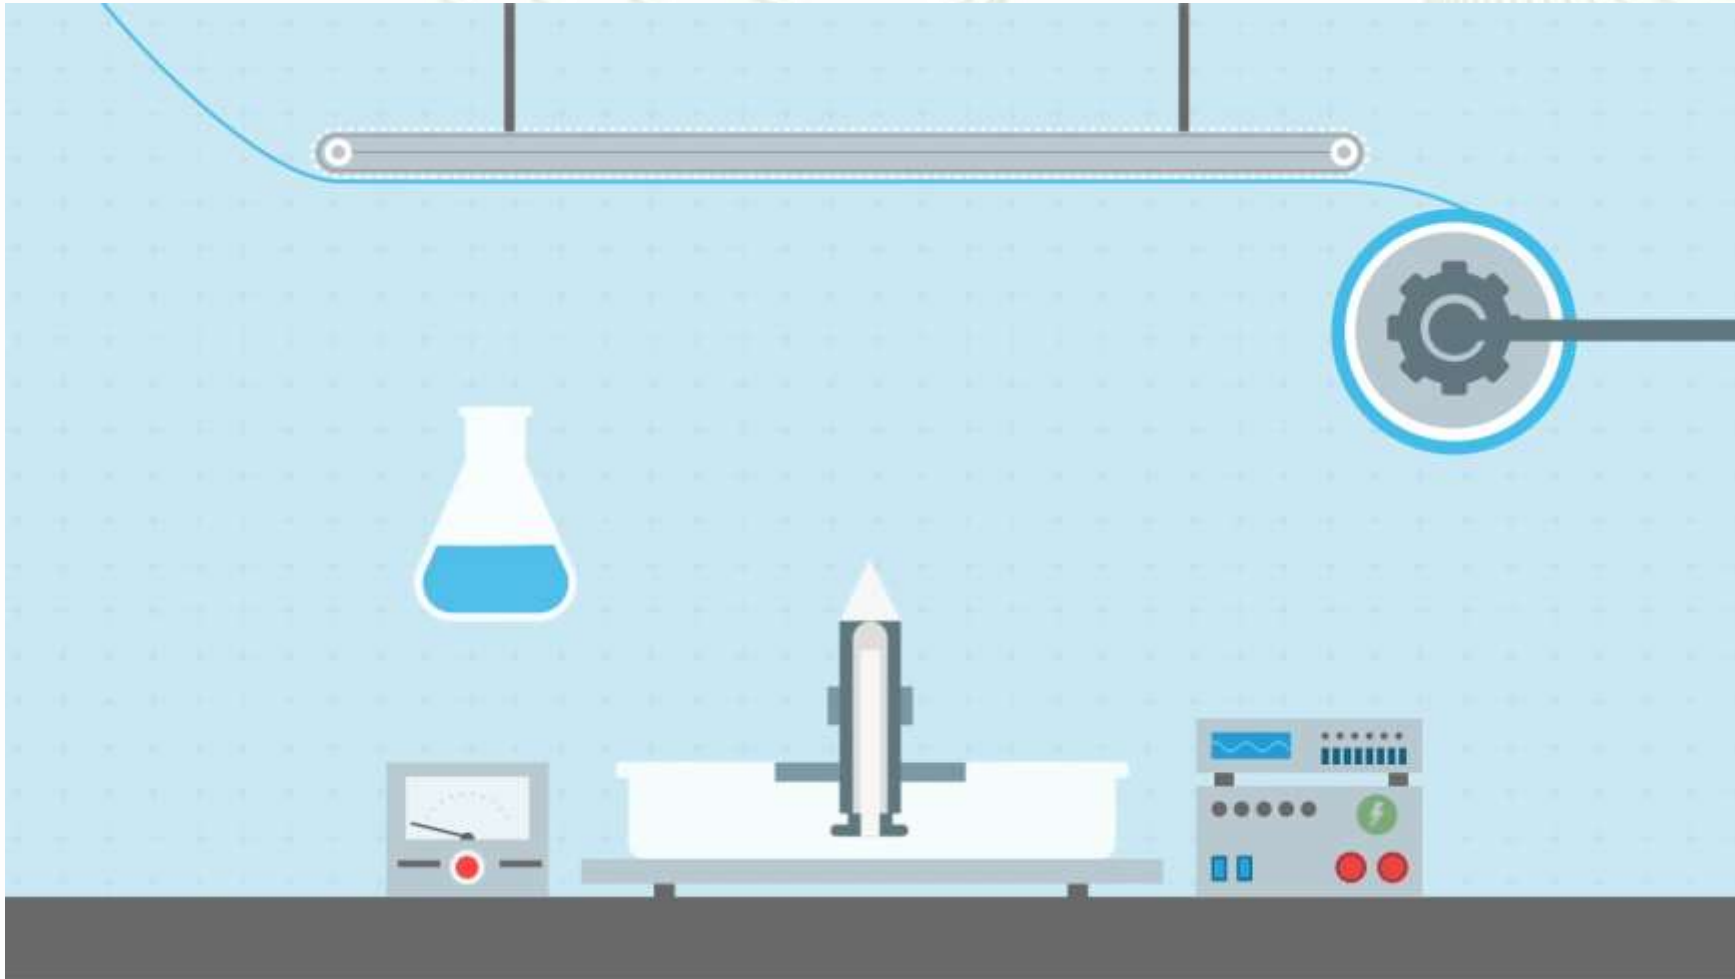

- Routinely Sold Out

# As Seen on Global Channels

# Sonic Electrospinning Technology

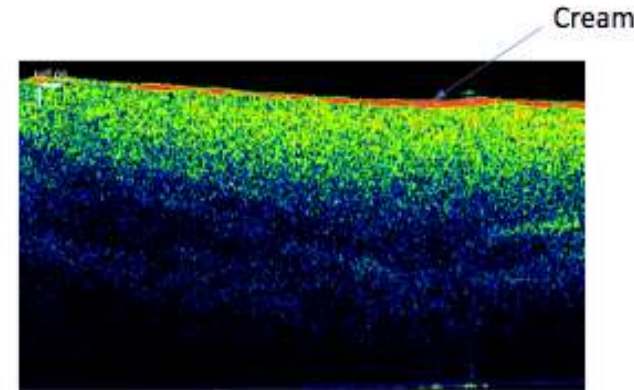

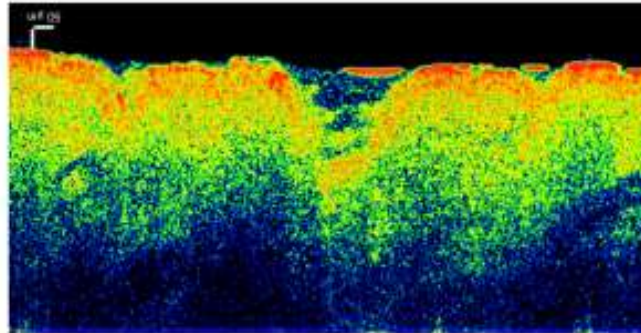

# What it means to our skin

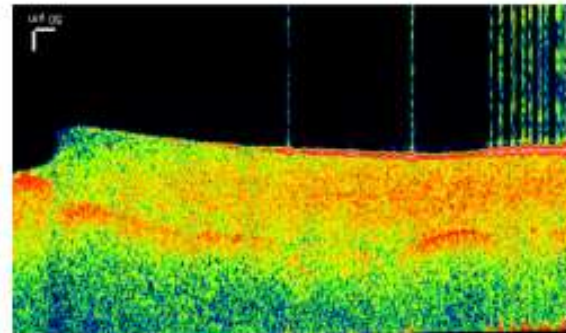

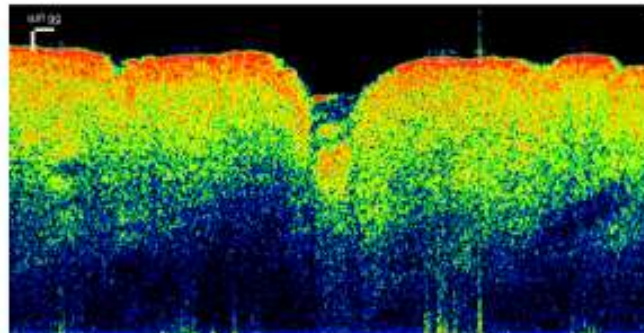

- 100% delivery of active ingredients straight into your dermal layer where active works its magic
- While creams & gels struggle to break the surface, DermaLayr™ dive **deep and fast**

DERMA  
LAYR™

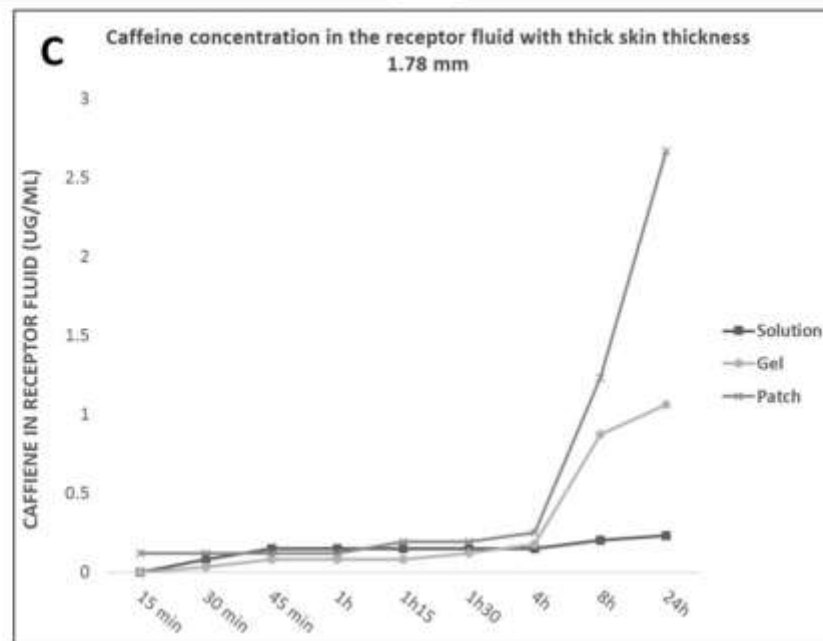

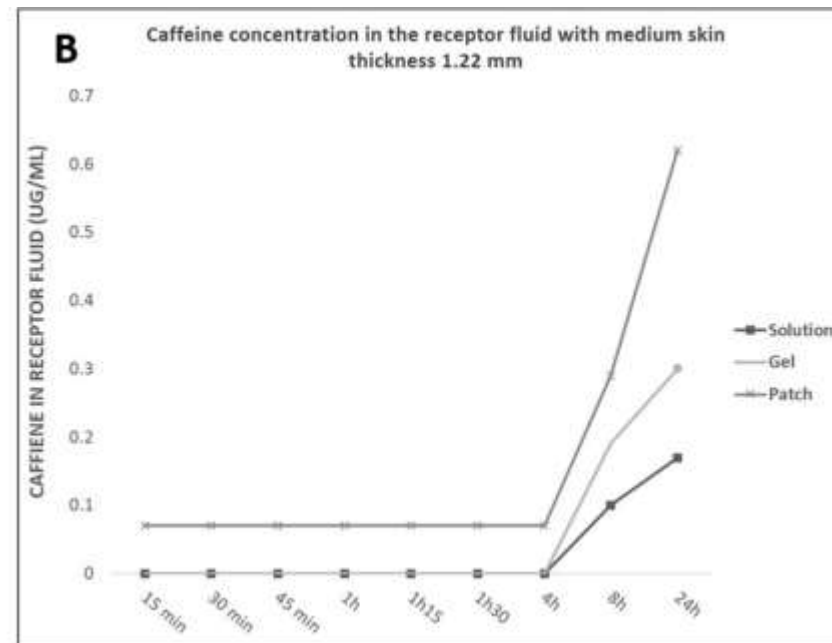

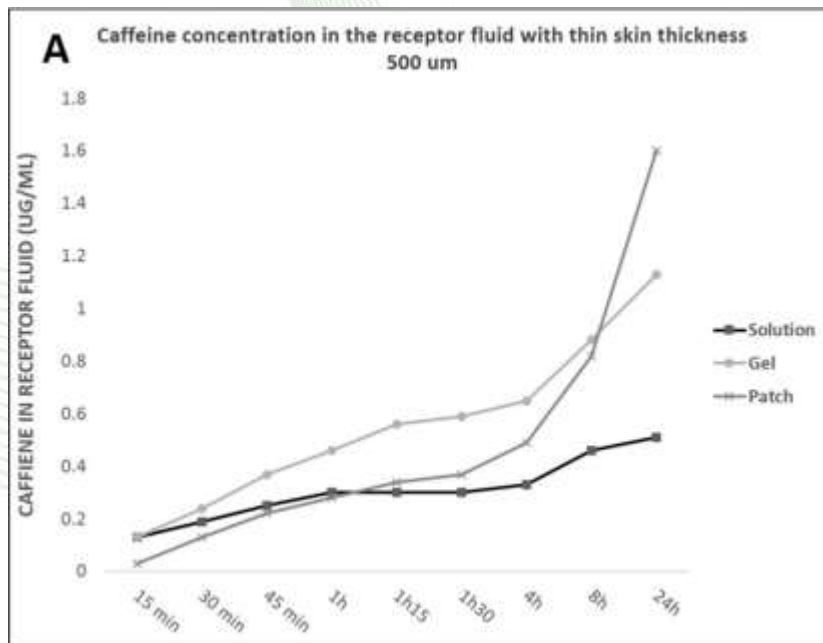

10 Min

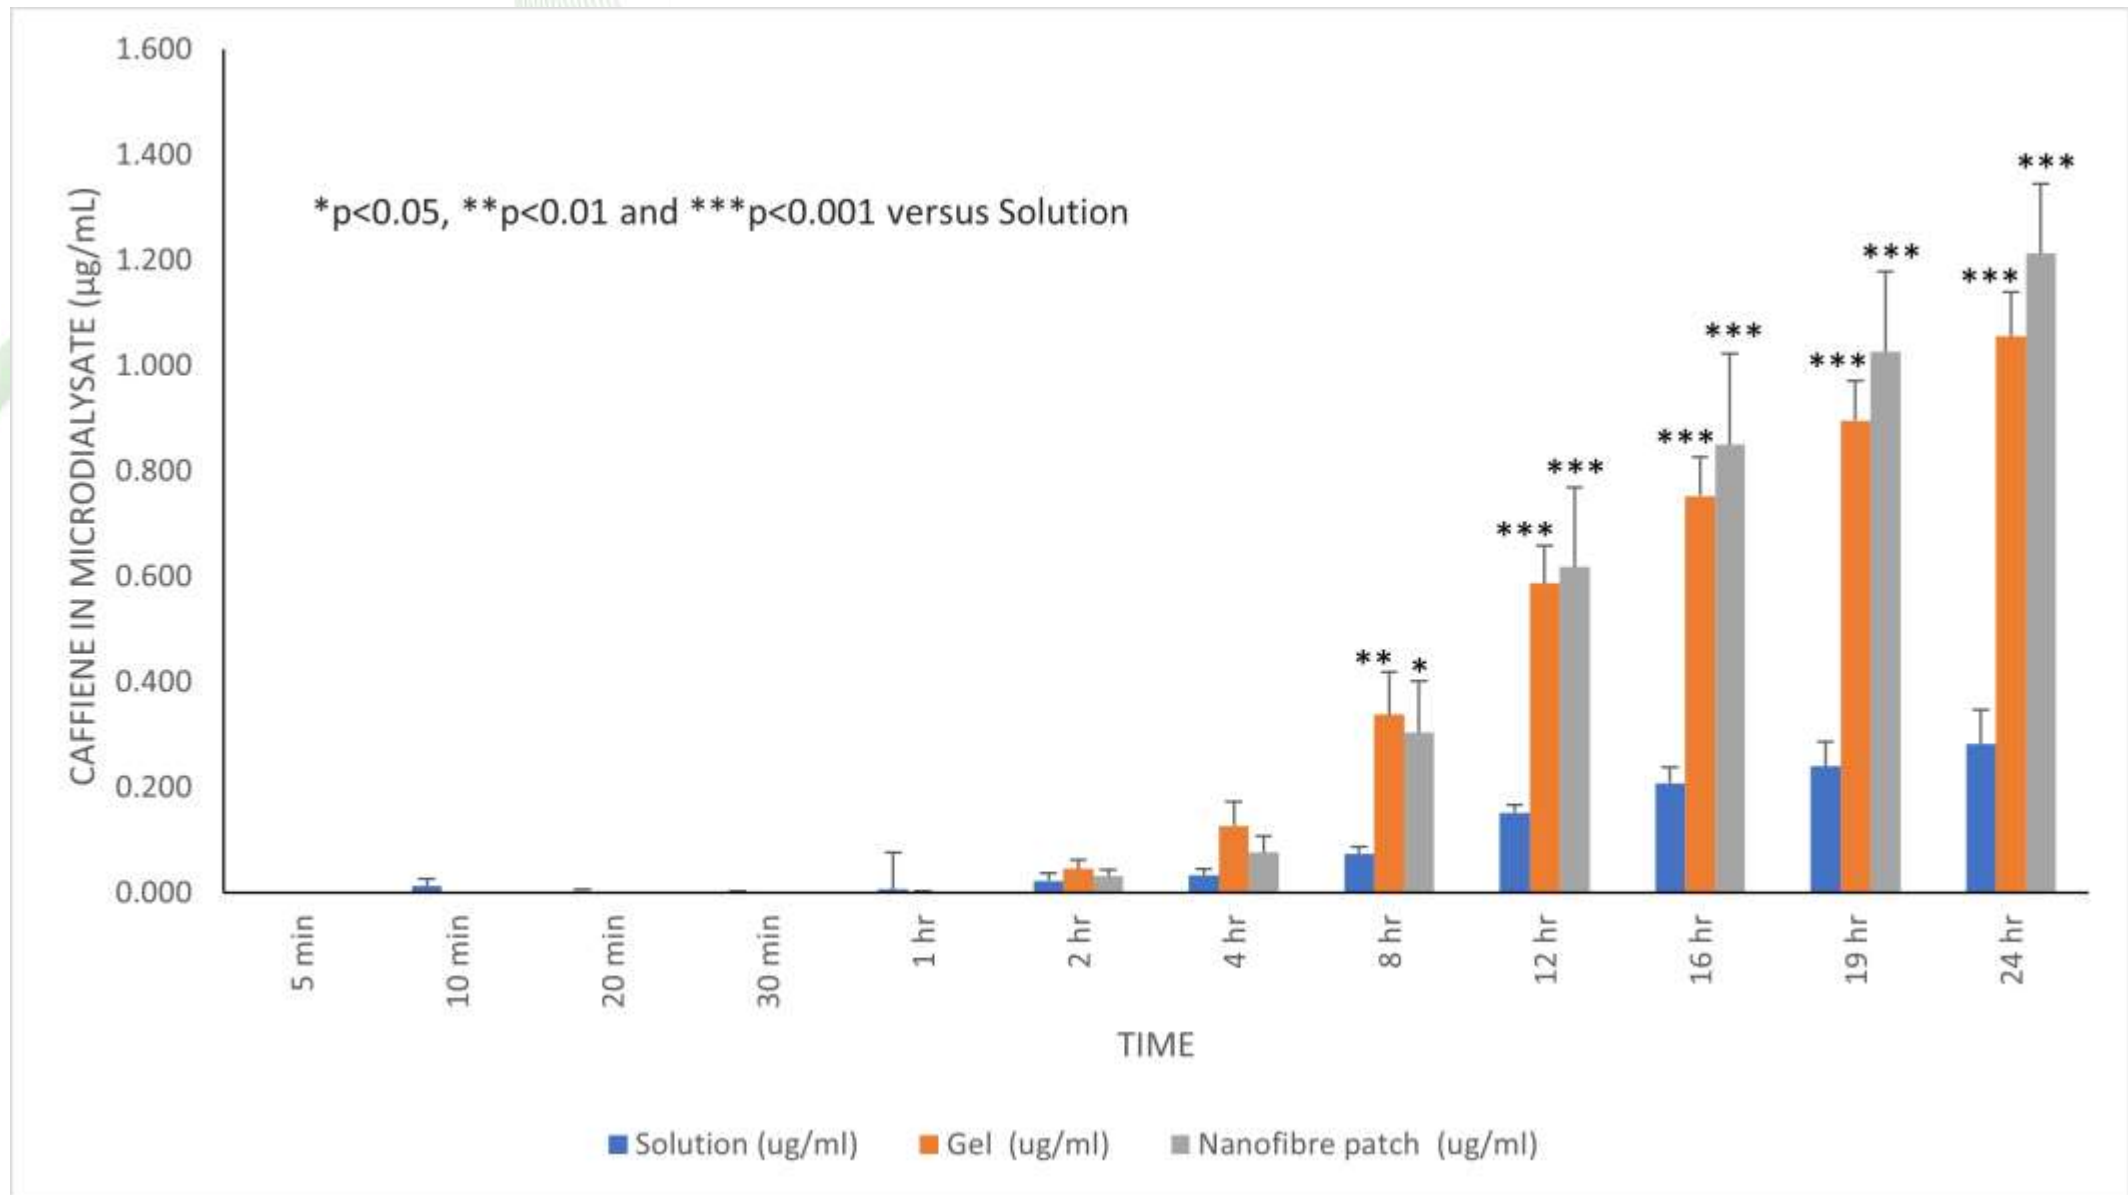

50 Min

# Instant Absorption

- Leaving **nothing** behind
- **Minimise environmentally** friendly materials
- Innovating more formulations to help **make a positive change to enhance the quality life of others.**
- The **disruption platform technology** to the cosmetic and cosmeceutical market.

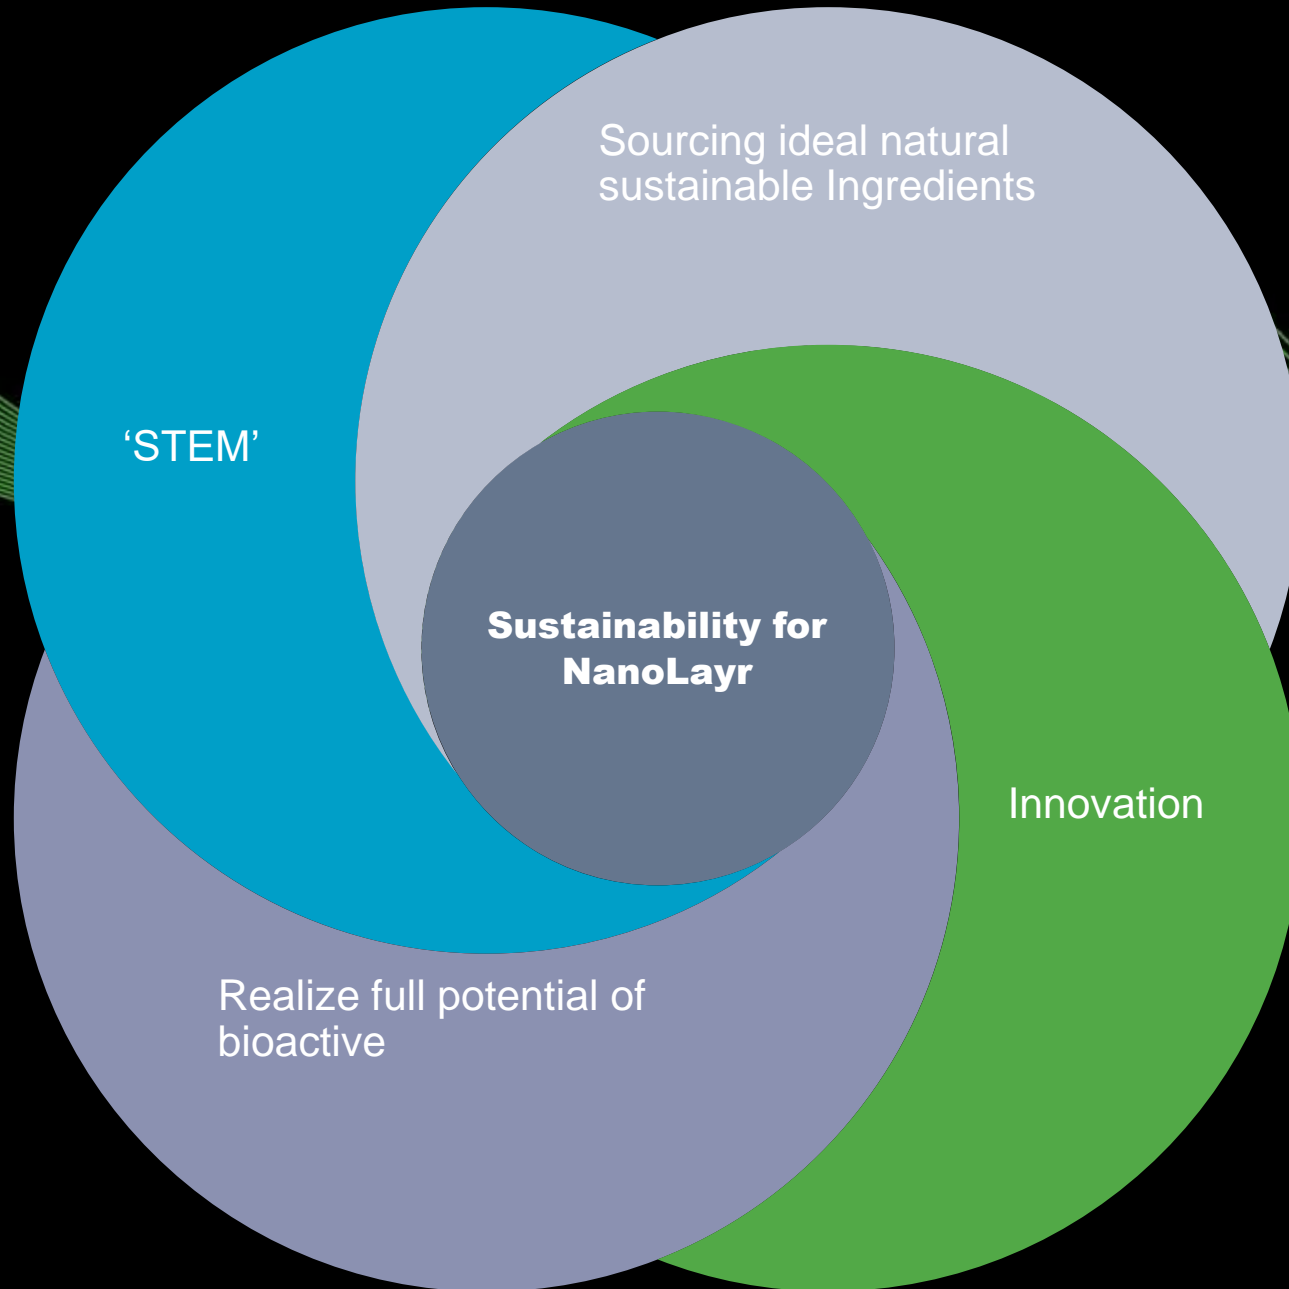

# Our Sustainability Platform

- **Doing more with less**
- There is **no finish line** when it comes to sustainability
- Our Research, Development and Implementation (RD&I) team constantly **discover new functionality ingredients to accelerate DermaLayr Technology**

**Beyond & Above**

A CONSTANT WORK IN PROGRESS
